Forecast for Wednesday 26 May 2021

Weather: Cloudy at first over northern foothills but some breaks on the tops and to the south of the hills. The low cloud burning off in the morning, Then some sunshine and mainly dry but some cloud bubbling up perhaps leading to an isolated light shower in the afternoon, though most will stay dry. A mainly sunny evening with clear skies after dark.

Chance of cloud free mountain/hill tops above 700m: 10% in the morning and early afternoon, rising to 80% by late afternoon.

Visibility: Mostly good throughout the day, though with some hill fog at the 500-750m level in association with early low cloud in the north.
